Abuse Expert & Author

MEDIA QUESTIONS:

- Domestic abuse spiked during COVID-19 but it is far from over...How did the pandemic impact domestic abuse?
- How rampant is abuse within our society?
- When people think of abuse they think of violence but you say abuse comes in many forms...what do you mean?
- Your incredible story of survival and recovery is documented in the book *Finding your Voice*...is this something you found difficult to write?
- How did you overcome your own adversity?
- Your book is part memoir, part comprehensive blueprint guide that offers step-by-step strategies, for survival...what advice do you have for survivors who may be isolating with an abusive partner?

- Your message is not only survivors but to society-at-large... How do we as a society stop the cycle of abuse?
- Anyone who goes through this experience may feel isolated, alone and fearful of seeking help. What advice do you have for them?
- Gaslighting is a term that has really come into the forefront. What is Gaslighting how does it compare to other types of abuse?
- When did you have your own epiphany about abuse?
- Some of our listeners might know someone who needs help...what should they do?
- You have Free Resources & Tools available for Abuse Survivors on your website...where can people find these?
